No, we have you covered.  
You will receive them upon booking.

The approximate run time is 2 hours.

### CAN WE BRING OUR OWN FOOD?

Unfortunately no, but there is one exception - catering for a guest with an allergy if we can't offer an option.

### CAN WE BRING OUR OWN CAKE?

Most certainly! However if you would like to skip the hassle, we have an ice cream cake available in our extras or we can highly recommend someone!

### WHAT DOES THE PARTY HOST DO?

The party host will look after everyone's needs the whole time. That way the parents can enjoy also!

### WHEN DO I NEED TO CONFIRM?

Final numbers are required Wednesday before the party along with the food choices. Don't sweat it, we will call you.

We suggest 15-20 minutes before the start time of the party, we also recommend telling your guests 10 minutes early to ensure we run on time.
